Checking these items does not mean you are signed up to help. Sign-ups for each event will be sent out a couple weeks prior to the event with specific information. Typically events begin ½ hour after the listed report time to allow for set-up time and to ensure all staff and volunteers are in place before the event begins. The majority of these events do require a historic costume be worn, however if that is not required, that will be specified in the sign-up e-mail.
