

Please fill out the chart below to include all classrooms that will be participating in HATS classes for the 2019-2020 school year. Use one line per class (please do not combine teachers so that we know how many students are in each class).

*Please note that our parent chaperone policy allows 1 adult (teacher or parent) per 5 students. If you need an exception to this rule (ie.e parent drivers, 1:1 assistance, etc.) please contact us ahead of time. We will ask for names of parent chaperones arriving separatley from the students as your visit approaches.
